Courier Australia have been providing a courier service to a number of Hospitals and Service Units within the metropolitan area for the Health Department of Western Australia.

As the continuation of this service to some units has proved to be uneconomical, this service will be ceased to the units outlined below as of 1 August 1993.

- **Avro Community Health Centre** 2 Nicholson Rd, SUBIACO
- **Community Psychiatric Support Services** 59 Hammersley Road, SUBIACO
- **Fremantle Psychiatric Clinic** 1 Stirling St, FREMANTLE
- **Hillview Terrace Hospital** 999 Albany Hwy, EAST VICTORIA PARK
- **Multicultural Psychiatric Centre** 590 Newcastle St, LEEDERVILLE
- **Troubled Youth Support Service** 59 Hammersley Road, SUBIACO
- **Warwick Child and Adolescent Clinic** 316 Erindale Rd, WARWICK
- **Western Australian School of Nursing** 151 Wellington St, PERTH

Hospitals and Service Units, responsible for their own mail budget, that have previously used the free courier service to the areas outlined above, will be required to make alternative arrangements after 1 August 1993. These units are already fully aware of this change in mailing arrangements.

Officers of East Perth Government Offices who normally send mail to the above areas, will in future need to ensure that all mail is fully and correctly addressed before being sent to the Information Services Section, as this mail will be sent via Australia Post or via other courier services.
Courier services and mail arrangements operating to the areas outlined below remain unchanged.

Aids Bureau
Alcohol and Drug Authority
Armadale/Kelmscott District Hospital
Authority for Intellectually Handicapped Persons (Irrabeena)
