

Want to Live & Work in WA?

Great Lifestyle - Generous Benefits

Western Australia is looking for mental health employees who want to live and work in one of the most dynamic and beautiful places on earth.

If you're looking for a lifestyle change then consider Western Australia, an exciting place to be!

Whether in the city or in country, we can offer you what you're looking for.

Successful overseas applicants will receive generous relocation benefits:

Relocation costs of up to \$20,000 and accommodation arrangements of up to \$5,000
