- B. This Service Agreement was interim in its nature to reflect the delay in the 2020-21 State budget due to the COVID-19 pandemic.
- C. The Service Agreement details the health services that the Department CEO will purchase from the Quadriplegic Centre and the health services Quadriplegic Centre will deliver during the 2020-21 financial year.
- D. The State Budget handed down on 8 October 2020 changed the funding set out in the Service Agreement and an amendment was executed through a Budget Deed of Amendment.
- E. The State Mid-year Review published on 14 December 2020 further changed the budget allocations set out in the Service Agreement and Budget Deed of Amendment and an amendment was executed through a Mid-year Review Deed of Amendment.
- F. Since the State Mid-year Review and up to 30 June 2021 changes to the budget allocations set out in the Mid-year Review Deed of Amendment have occurred and an amendment to these is required.
- G. This document is not required to be executed in accordance with section 41 of the Act as all amendments have been approved through other processes.
