## BACKGROUND

- A. With effect from 1 July 2020, pursuant to section 46 of the *Health Services Act 2016* (the Act) the Parties entered into a Service Agreement (Interim). Section 46(4) of the Act provides that the Service Agreement is binding on the Parties.
- B. This Service Agreement was interim in its nature to reflect the delay in the 2020-21 State budget due to the COVID-19 pandemic.
- C. The Service Agreement details the health services that the Department CEO will purchase from the Quadriplegic Centre and the health services Quadriplegic Centre will deliver during the 2020-21 financial year.
- D. The State Budget handed down on 8 October 2020 changed the funding set out in the Service Agreement and an amendment was executed through a Budget Deed of Amendment.
- E. The State Mid-year Review published on 14 December 2020 further changes the funding set out in the Service Agreement and Budget Deed of Amendment and a Mid-year Review amendment is therefore required to reflect these and other WA health system allocation adjustments.
- F. Section 50 of the Act stipulates that a Party that wants to amend the terms of the Service Agreement must provide written notice of the proposed amendment to the other party. This written notice was provided to Quadriplegic Centre on 15 January 2021.
- G. This Deed is executed in accordance with section 41 of the Act.

Each Party will promptly do and perform all further acts and execute and deliver all further documents (in form and content reasonably satisfactory to that Party) required by law or reasonably requested by any other Party to give effect to this Deed.
