2.1 Notional Contracted Services Determination

The Department Notional Contracted Services Local Hospital Network (Notional LHN) consists of an aggregation of contracted public hospital services for the Department.

The Department Notional Contracted Services LHN only includes in scope health services that are eligible for a Commonwealth funding contribution.

As stated in Clause A54(a) of the *National Health Reform Agreement 2011*, the Administrator of the National Health Funding Pool prescribes that the Notional Contracted Services LHN is not required to meet the LHN governance arrangements set out in clauses D11 to D21. However, all requirements and responsibilities outlined in the *National Health Reform Agreement 2011* and *National Health Reform Act 2011* still apply to the LHN.
