

Chemical, Biological & Radiological (CBR)

The Disaster Preparedness and Management Directorate are pleased to announce the continuation of the Chemical, Biological and Radiological (CBR) Course in 2023, for WA Health staff.

Aim

Provide participants with the base knowledge and skills to respond effectively to such events.

Course Content

- Reviews the risk, threat and specific vulnerability to such an emergency
- Clinical management of casualties with injuries relating to these events in both pre-hospital and hospital settings

Target Audience

Those with a specific role in responding to a potential CBR incident (e.g. medical & nursing staff, emergency responders & health managers). Those with an interest in the subject are also welcome to apply.

Further information can be found at: https://ww2.health.wa.gov.au/Articles/A_E/Disaster-management-training-and-development
