

# PHEOC BULLETIN #23

**Tuesday 18 August 2020 14:00 Hours**

This bulletin has been authorised by the PHEOC Coordinator, Dr Revle Bangor-Jones

## COVID-19 case numbers

- As of **18 August 2020**, there have been **647** confirmed cases of COVID-19 notified in Western Australia (WA) and **29 historical cases**. **633** people have recovered.
- To date **293,292** COVID-19 tests have been conducted in WA.
- **WA:** [Daily snapshot](#)
- **National:** [Current National Status](#)
- **Worldwide:** [WHO Situation Reports](#) & [WHO Dashboard](#)

## Living with COVID

### Hotel and accommodation providers (with guests in isolation)

If hotel and accommodation management require support to review and implement best practice infection prevention measures, please contact the Infection, Prevention and Control (IPC) team at [pheoc@health.wa.gov.au](mailto:pheoc@health.wa.gov.au) For the full suite of protocols and recommendations, please see [Hotel/Accommodation Fact Sheet](#)

### Aged care [FAQs](#)

There are any mandatory restrictions on visitors to Residential Aged Care Facilities (RACFs) in WA. These are specified in the [Visitors to Aged Care Facilities Directions \(NO 3\)](#)

### Phase 5 date postponed

The tentative date for Phase 5 has been postponed until **Saturday, 24 October**. See the [WA Roadmap](#)

### Perth Royal Show cancelled for 2020

On the advice from the Chief Health Officer, the Perth Royal Show will not go ahead as planned in 2020. The Royal Show provides several unique challenges and poses too big a risk from a public health perspective.

The WA Government will work closely with the Royal Agricultural Society to make sure they can deliver a vibrant Perth Royal Show in future years.

For more information visit the [Royal Agricultural Society of Western Australia](#).

### Victoria and NSW update

**VICTORIA** Media release with the latest update can be viewed [HERE](#).

WA continues to support Victoria by providing expert advice and remote contact tracing. Five Western Australian nurses travelled to Melbourne on Friday 14 August to assist and dozens of

registered and enrolled nurses have expressed their interest in assisting our Victorian colleagues. Additional staff are expected to be deployed in the coming weeks.

NSW – Media release with the latest update can be viewed [HERE](#).

## Community

### Regular testing of interstate freight drivers

The [Transport, Freight and Logistics Directions](#) came into force at midnight on Thursday 13 August. Any truck driver entering Western Australia now needs to show evidence of having received a negative COVID-19 test result in the last 5 days or they will be directed at the WA border to present for a COVID-19 test within 48 hours. They will also be required to present for testing every 7 days while in WA (up until they have been in WA for 14 days). For more information see our [Transport, Freight and Logistics Directions FAQs](#).

### Presentation for Testing Directions (NO 4)

The updated [Presentation for Testing Directions](#) came into effect at midnight on Thursday 13 August. All interstate arrivals are now subject to a requirement to present for testing on Day 11 after arrival in WA. This is in addition to any testing requirements in place for interstate arrivals from Victoria or NSW. For more information see our [factsheet on the Presentation for Testing Directions](#).

### Cap on international arrivals to Perth Airport extended

The cap on international arrivals to Perth Airport has been extended until 24 October 2020. The cap was introduced on 12 July 2020 and limits the number of international passengers entering Western Australia to 525 per week, or about 75 a day.

### DETECT schools' program

The school research project forms part of the [DETECT program](#). View the complete list of participating schools [here](#).

To date 9,267 tests have been performed on school staff and students with zero positive cases. 71% of the tests have been conducted in the metro area with the median age being 13 years old. 14% of all tests have been conducted with people aged  $\geq 18$ .

## Directions updates

COVID-19 [State of Emergency Declarations](#) and [Community Advice](#) summarises the latest COVID-19 Directions that are in place in WA. Further information can be found on [WA Government website](#) and the [Directions FAQs](#)

Quarantine (Closing The Border) Amendment Directions (No 3) (see [HERE](#))

Aged Care Facilities – Changes have been made effective 8 July 2020 (see [HERE](#))

[Presentation for Testing Directions \(4\)](#) have been introduced as at 13 August 2020 (see [HERE](#))

Quarantine and Isolation (Undiagnosed) Amendment (see [HERE](#))

[Transport, Freight and Logistics Direction](#) have been introduced as at 13 August 2020 (see [HERE](#))

## Testing

### General population testing criteria (see [HERE](#))

Any person may be tested if they have any one of the following clinical criteria: fever ( $\geq 37.5^{\circ}\text{C}$ ) **OR** history of fever (e.g. night sweats, chills), without a known source **OR** an acute respiratory infection (e.g. shortness of breath, cough, sore throat), **OR** acute loss of smell or taste.

This is especially important for people with any of the following epidemiological criteria:

- anyone who lives or works in a high-risk setting with direct patient contact (e.g. healthcare, aged care or residential care)
- contacts of a confirmed or probable case
- people returning from outside WA in the last 14 days or who have lived/ travelled through an area with elevated risk of community transmission
- where clinical and public health have determined a hospitalised patient with non-specific signs of infection is at increased risk of COVID

## Testing locations

Testing locations are listed on [Healthy WA](#).

## Reporting

Notify suspected COVID-19 cases by completing the notification form either [ONLINE](#) or by printing out the notification form.

## Series of National Guidelines (SoNG)

The latest iteration was released on 13 August 2020. (see [HERE](#))

## Business and industry

See latest updates about how the Western Australian Government is supporting business and industry economic recovery through COVID-19 [HERE](#).
