

# The Challenge

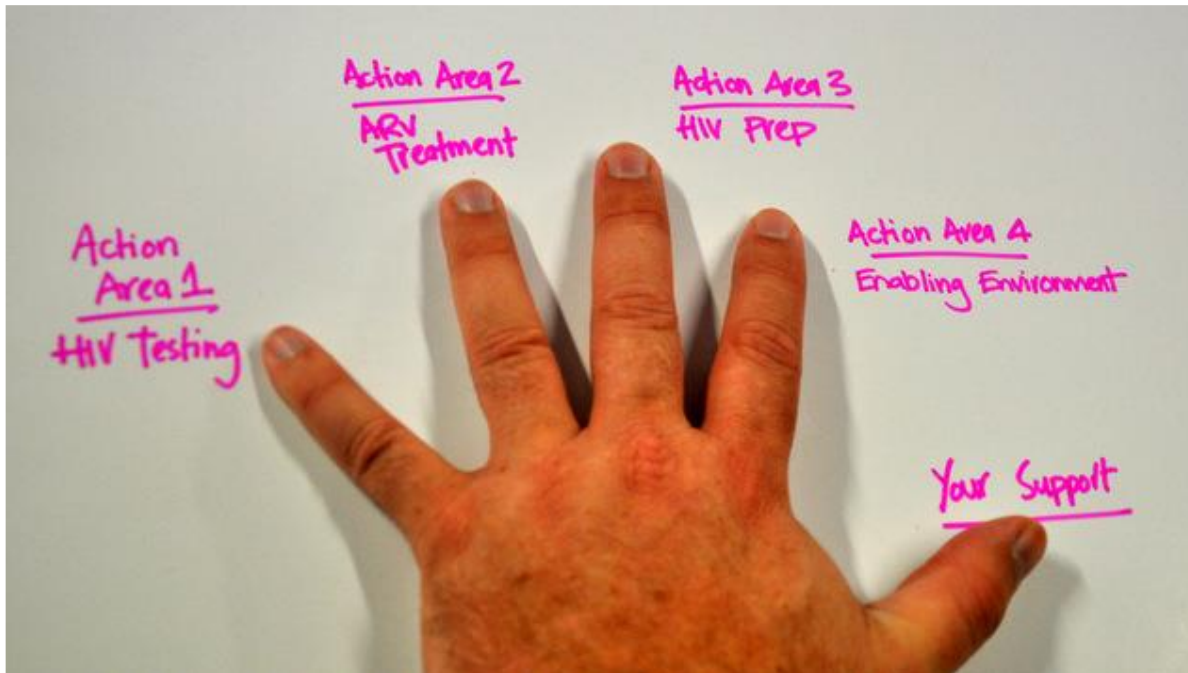

- 1. Do we need to improve BBV and sexual health provisions for CALD people in WA?**
- 2. Where/how can we do better?**

Dr. Christine Dykstra  
Sexual Health Physician  
Royal Perth Hospital  
December 2022

**We've had good successes!**

Early messaging from  
End of HIV in WA

World Aids Day 2016  
Hands up for HIV prevention (global messaging)

**How can we do better?**

Can we do  
better?

---

HIV testing

---

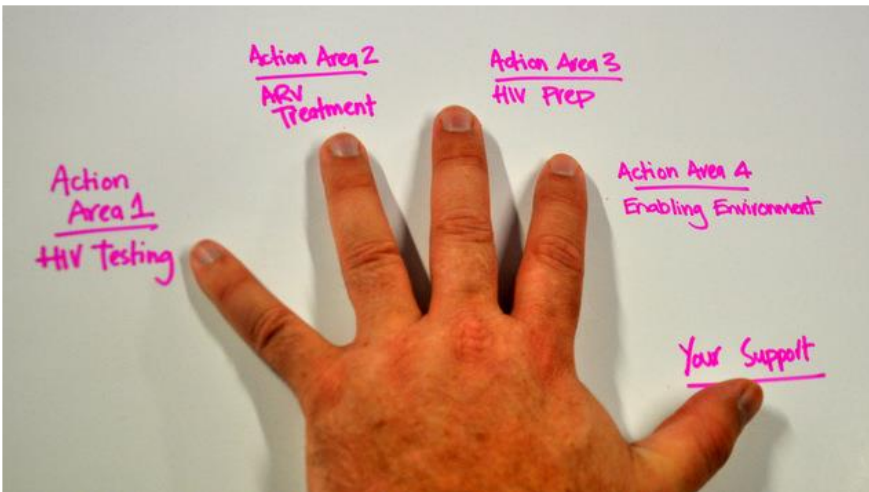

HIV PrEP

---

Enabling Environment

---

ARV Therapy

# The Existing Framework

HIV testing

Free, anonymous, self-testing options

HIV PrEP

On-line PrEP often cheaper than PBS

Enabling Environment for CALD clients

Translator Access ?? room to improve

ARV Therapy

No charge for visits, testing, or Rx

# The challenge:

1. Do we need to improve BBV and sexual health provisions for CALD people in WA?

2. Where/how can we do better?

---

HIV /HIV prevention

Education / messaging

---

Awareness, affordability, and access to services for:

STI/BBV testing and treatment/ PrEP/ HIV care

---

Inclusion of marginalized CALD into LGBTIQ+ community engagement, engagement within existing services, and targeted peer support

---

Perception of acceptance for LGBTIQ+ people and PLWHA within Australian CALD communities and services
