

South West heatwave impact map

Label Local Government Area

1	Bridgetown-Greenbushes (S)
2	Boyup Brook (S)
3	Collie (S)
4	Augusta-Margaret River (S)
5	Harvey (S)
6	Donnybrook-Balingup (S)
7	Busselton (C)
8	Bunbury (C)
9	Dardanup (S)
10	Capel (S)
11	Manjimup (S)
12	Nannup (S)

Heatwave impact

Notes

- Due to relatively small populations, caution should be exercised when interpreting data from rural areas. The data for metro areas is relatively more reliable than that for rural areas.
- Even in local government areas with overall better socioeconomic status, there is still a proportion of residents severely affected by heatwave. Thus the health education programs should target all areas.

* Details of the methods used for categorising heatwave impact in different geographical areas can be obtained by contacting dpmu@health.wa.gov.au
