Legal & Legislative Services

These are the Terms and Conditions of the Medical Indemnity applying to the Ambulatory Surgery Initiative, effective 1 September 2013

1. INDEMNITY

1.1. Minister to Indemnify and Waive Rights

In consideration of you providing the Medical Services and of you undertaking the obligations in Clause 8 (Quality & Safety Requirements), the Minister agrees, subject to the terms, conditions, limitations and other exclusions of these Terms and Conditions, to:

- (a) indemnify you and keep you indemnified from; and
- (b) waive any rights of contribution or indemnity the Minister may have against you in respect of, any Loss arising from a Claim or Potential Claim.

1.2. Exclusions

The Indemnity does **not** extend to:

- (a) any Loss arising from Claims or Potential Claims in respect of acts or omissions by you which are:

 - (ii) criminal;
 - (iii) defamatory;
 - (iv) discriminatory (whether sexual, racial or otherwise) or otherwise constitute harassment;
 - (v) done or omitted to be done as a consequence of being under the influence of alcohol or illicit drugs, or inappropriate use of prescription or over the counter drugs including if you knew or reasonably ought to have known that those drugs would have an effect that caused or materially contributed to the Claim or Potential Claim;
 - (vi) done or omitted to be done whilst you are not registered with the Medical Board;
 - (vii) done or omitted to be done contrary to any restrictions or conditions placed on you by the Medical Board; or
- (b) the provision of Medical Services by you to patients at a Hospital while employed as a Salaried Medical Practitioner, or while engaged as a Non-Salaried Medical Practitioner.

If you fail to notify the Hospital as required under sub-clause (a), or to provide the Hospital with information or documents as required under sub-clause (b), or fail to act in good faith in your dealings with the Minister, and any such failure materially prejudices the Minister's ability to deal with any Claim or Potential Claim, subject to clause 20, this Indemnity may be withdrawn by the Minister by notice in writing to you and then will cease to have any force and effect in respect of the Claim or Potential Claim.

3. DEFENCE OF CLAIMS

3.3. Separate Representation In Limited Circumstances

If the Minister in his or her absolute discretion is satisfied that there is a conflict of interest between you and the Minister in respect of the conduct of a Claim or Potential Claim, the Minister will provide you with separate legal representation from a legal firm of the Minister's choosing for such time as the Minister determines that the conflict subsists and subject to such maximum sum as the Minister determines from time to time.

If you disagree with the Minister's determination you may refer the matter to the review panel under clause 22 which will make a recommendation to the Minister.

Notwithstanding any recommendation by the review panel the Minister's decision is final and binding and you agree that it is not subject to judicial or other external review.

3.4. No Settlement or Admissions

 - (C) as required by law;
 - (D) in respect of information already in the public domain;
 - (E) as otherwise permitted or required by these Terms and Conditions,
 and if you fail to comply with the obligations in paragraph (i), (ii) or (iii), and that failure materially prejudices the Minister's ability to deal with the Claim or Potential Claim, subject to clause 20, the Indemnity may be withdrawn by

the Minister by notice in writing to you and then will cease to have any force and effect in respect of the Claim or Potential Claim.

- (b) Where a claim or potential claim against you is not the subject of the Indemnity, or you are the subject of a complaint, allegation, investigation or official enquiry (including but not limited to by the Medical Board or Coroner) and the Hospital holds information or documents relevant to the matter, the Hospital will, on written request from you, provide copies of that information or documentation to you or your nominated representative, provided always that it is lawful and reasonable in all the circumstances to do so and the Hospital may impose reasonable conditions on the use of any such information and documentation.
