BACKGROUND

- A. On 1 July 2017, pursuant to section 46 of the Act the Parties entered into the Service Agreement. Section 46(4) of the Act provides that the Service Agreement is binding on the Parties.
- B. The Service Agreement details the health services that the Department CEO will purchase from the South Metropolitan Health Service and the health services the South Metropolitan Health Service will deliver during the 2017-18 financial year.
- C. The State election in Western Australia delayed the delivery of the 2017-18 State budget. The State budget delivered in September 2017 changes the funding set out in the Service Agreement and an amendment to the Service Agreement is required.
- D. Section 50 of the Act stipulates that a Party that wants to amend the terms of the Service Agreement must provide written notice of the proposed amendment to the other party.
- E. This Deed is executed in accordance with section 50 of the Act.
